

**IN THE MICHIGAN COURT OF APPEALS**  
**ORDER**

Re: **Jeffery John Weaver v State of Michigan**  
Docket No. **297482**  
L.C. No. **00-000000**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The original complaint for mandamus is DISMISSED for lack of jurisdiction. This Court only has jurisdiction over an action for mandamus against a state officer. MCR 3.305(A)(1); MCR 7.203(C)(2); MCL 600.4401. Thus, this Court does not have jurisdiction to entertain plaintiff's complaint for mandamus because that complaint is brought against the state itself, not against a state officer. It appears that, if a complaint for mandamus may properly be brought against the state itself, such a complaint would need to be brought in the circuit court. See MCR 3.305(A)(2).

The motion in limine is DENIED as moot.
